INTRODUCTION

Great care was taken to abstract the marriages records of this county. The first book marked 1810-1851 actually contained marriages from 1810 through 1840. This book was badly water damaged and required careful examination to determine the hand writing. There was an index at the end of this first book but it too was water damaged and omitted over 200 names on first 18 pages. The second book was dated 1840-1856. The third book was dated 1856-1869. The next book was dated 1869-1876. The last book abstracted was listed as Book "H" 1876-1885. Black marriages were included in the last three books.

Indexes to above books list the male name to whom the license was issued. Some differences were found between the names on the license and those on the return certificate. I used the names found on the certificate returned by the officiate since this is the offical record of marriage. Where there was a difference, I added a footnote. I also included the name and position of the officiate and the county, if other than Pulaski, from which the certificate was returned. On completing the abstraction of 4143 recorded marriages, I compared the names with a list of the unbound marriage records of Pulaski County located in Record Group 216-2-1 at the State Archives. Mr. Robert S. Davis, Jr., has contributed this list (1348 marriages) which we published in CGGS Quarterlies 1987 Vol. 9-2, 3 & 4 and 1988 Vol 10-1 & 2. I found about two-dozen marriages on the unbound marriage list that I could not identify in the marriage records and added these.

These unbound marriage records at the State Archives are the original license and return certificate by the officiate. The back of most of the records contain the book and page numbers were they were recorded. A few years ago the staff flattened, cleaned, separated by race, and alphabetized these by the first letter of the grooms surname. Thus if you are looking for Helms, you must look through all records in the "H" folder. There is nothing to indicate Helms may have been misread and place in another folder. There is no listing for brides by surname but we published such a list in our CGGS Quarterlies mentioned above. Thus the margin of error is greater that the recording county clerk may have entered and indexed the names incorrectly. However those entries were made within or near the year of marriage and by clerks who were more familiar with the names in their county than those of us living to-day.

I also found that many names shown on the list of unbound marriages were apparently misinterpreted and erroneously spelled. Among these are several names listed as Harrell that are actually Howell. Others are Sheff for Sheffield, Halstead for Stubbs, Han for Horne, Hanie for Harrell, Haney for Harvey, Hanara for Harvard, Homes for Horne, Jincy for Jones, Jilter for Jelks, James for Joiner, Wright for Night, Holland for Barlow, Haw for Hawthorne, Moms for Morris, Luana for Lee, Marcus for Mercer, Swell for Lowell, Landforce for Sandford, Nelms for Helms, Nicks for Hicks, Oliver for Shiver, Wadshaw for Bradshaw, Tarrell for Farnell and many more.

I no doubt have made errors in abstracting names. I spent many hours in comparing hard to read names with the census and other Pulaski books of the time in an effort to insure correctness in copying the name as actually spelled on the marriage record. If you can't find your ancestor's marriage in this book and you feel certain it took place in Pulaski County, then recheck all possible spelling variations in this book and the unbound files at the State Archives.

MARRIAGE RECORDS, PULASKI COUNTY, GEORGIA
1810-1885

Abstracted from Marriage Record Books 1810-1856; 1840-1856; 1856-1869 (White & Colored); 1869-1876 (White & Colored); and Marriage Licenses Book H, 1876-1885 (White & Colored). Abstractions have been consolidated and alphabetized by Grooms and, beginning on page 92, by Brides. Colored marriages indicated with (Col) in Groom column. Entries in the "Married by" column marked (at state archives) are original unbound marriage records of Pulaski County located in Record Group 216-2-1.

CENTRAL GEORGIA GENEALOGICAL SOCIETY, INC.
POST OFFICE BOX 2024
WARNER ROBINS, GEORGIA 31099-2024

Non-Profit
Tax Exempt
Org. GA

ORGANIZATION: The CENTRAL GEORGIA GENEALOGICAL SOCIETY, Inc. was organized in October 1978 by James T. Martin of Warner Robins, Georgia. In February 1981 the Society was incorporated as a non-profit organization under the law of the State of Georgia. The U.S. Internal Revenue Service has determined that the society is a tax-exemption organization under Section 501(c)(3), U.S. Internal Revenue Code of 1954. The Society is governed by a Board of Directors consisting of the elected and appointed officers and six elected Directors.

AREA: The Society's geographical area of primary interest consists of twenty-seven contiguous counties located in central Georgia. They are: BALDWIN, BIBB, BLECKLEY, CRAWFORD, CRISP, DODGE, DOOLY, HOUSTON, JOHNSON, JONES, LAMAR, LAURENS, MACON, MONROE, MONTGOMERY, PEACH, PIKE, PULASKI, TAYLOR, TELFAIR, TREUTLEN, TWIGGS, UPSON, WASHINGTON, WHEELER, WILCOX and WILKINSON.

PURPOSE: The purposes for which the corporation is organized are:

To collect, preserve and disseminate knowledge and information with reference to genealogical and related historical, biographical and heraldic data;

To inculcate and promote interest in research in these fields;

To stimulate and provide instruction in the use of efficient methods and the adherence to principles of accuracy and thoroughness in research;

To champion ethical standards and to discourage and oppose incompetent and disreputable practices or researchers;

To foster careful documentation and otherwise promote scholarly writing;

To issue publications, and

To promote the collection and the preservation of local records which are of genealogical or historical value.

MEMBERSHIP: Membership in the Society is open to any person interested in promoting the objectives stated above. Annual dues for 1995 are: $20.00 for individual membership; $25.00 for family membership (husband and wife, or two related persons in same household).

TRAINING: At least twice each year the Society conducts classes for beginner genealogists. These classes are free for members in good standing.

WORKSHOP: The Society plans to hold an all day workshop once each year, complete with exhibits, for members and the public. The registration fee will be set to cover the Society's cost and may vary from year to year, depending upon prices charged for food, meeting facilities, speaker fees, etc.

PROJECTS: The Society undertakes special projects for preservation of genealogical and historical information, such as: microfilming old newspapers, abstracting and publishing county court records, federal census records, cemetery records, etc.

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published four times per year as number 1 thru 4 and is mailed to all members in good standing. The annual volume number represents the years in existence. Many other societies, who are members, receive our QUARTERLY. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has

been received by the Society. After review these books are donated to the Genealogical and Historical Room, Washington Memorial Library, Macon, GA., whose holdings are one of the largest in the southeast. Members are encourage to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without permission from the copyright holder. Appropriate credit will be appreciated. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society when available. The Society welcomes the opportunity to publish FAMILY PEDIGREE CHARTS for members. Mimimum coverage of four generations is required. Our computer designed charts provided for as much information on the fifth generation as the second, third and fourth - most charts provide much less. Give us as much complete information as possible on available forms and separate paper.

MEETINGS: The Society holds regular monthly meetings with planned programs. These meetings are currently held at the Flint Electric Building, 1600 Elberta Road, Warner Robins, Georgia at 7pm on the third Thursday of each month. In addition to the program, time permitting, a question and answer session is usually conducted for the benefit of members who have a problem with their research, or who has found a better way for accomplishing their work. Visitors and guest are always welcome to attend regular meetings of the Society. Our current membership covers many states and we invite you to join our Society. For a membership application write to the Corresponding Secretary at address shown in the heading above or call (912) 953-3114.
